

Hi Moya, Just to say thanks for a great,well organised and easy-going day. Jason (the mechanic) and I really enjoyed it. Even the scrutineers were up for a little banter! This is my first season racing so it's all new and everyone at Three sisters and Longton dmc made it worthwhile. Apologies to the marshalls for geting lost on my first run and ending up on the in-field. Hopefully I'll be back soon.  
Many thanks Simon
