

Covid-19 Response Bulletin #5

Thursday, 09 July 2020

For immediate release

At the July Committee Meeting, Longton & District Motor Club formally voted to cancel the events originally scheduled for the 31st August at the Oliver's Mount Hillclimb venue, and their sprint meeting on 6th September at Three Sisters. Refunds for Three Sisters will be issued in due course.

A final decision regarding the Anglesey weekend (3rd/4th October) will be made at the club's Committee Meeting at the beginning of August.

The club is concentrating its efforts towards the events and championships in 2021 with a special meeting on the 20th July to progress this. The club have already registered their dates for the Anglesey, Blyton Park, and Three Sisters venues with the circuits concerned, and will continue discussions regarding Oliver's Mount.

It has been a sad year for our sport so let us all keep our fingers crossed for progress in defeating the dreaded Covid-19, and that a vaccine is found. Keep yourselves, your families and friends safe and well so that we can get back to normal competitive events.

J. Graham Malcolm
Chairman
Longton & District Motor Club
